

RE: 2026 Sponsorship Request

Dear KCPRO-East Supporter,

KCPRO-East is a non-profit 501(c)(3) youth snowmobile racing organization established in 1991. Our mission is to teach safe snowmobiling and good sportsmanship to boys and girls, ages 4 to 17. We are a family-run organization with membership extending across Northern Minnesota and Wisconsin. We have a variety of race classes open to ice racers from young beginners to more experienced modified racers.

Our organization depends on the kindness, generosity, and support of our communities and businesses to help cover the cost of insurance, safety personnel, permits, awards, and other race season expenses. We humbly ask for your support this race season.

In return for your generous contribution, we will provide a variety of promotions (i.e., track signage, race announcements, social media mentions, etc.) for your business as we travel across NE Minnesota and NW Wisconsin.

To ensure we can have all advertising printed and ready by our first race, we kindly request that sponsorship commitments be submitted by December 18.

On behalf of our KCPRO-East officers, families, and racers, I thank you for your sponsorship consideration.

Matt Holmes

President | (218) 780-3099
