2021  
CODE OF CONDUCT  
PARENTS, MEMBERS, RACERS

The objective of this code of conduct is to ensure that KC PRO-EAST OVAL ICE Racing parents and racers are to remain positive and promote good sportsmanship at all times throughout the season. **Racers will not be allowed to race until all parents/step-parents/legal guardians of each racer within KC PRO sign this form.**

I therefore agree:

**Parents are responsible for themselves, racers, and spectators accompanying them that they will conduct themselves in a manner that represents good sportsmanship and fair racing at all times. I understand it is my duty to inform my racer/s and spectators accompanying me. Fair racing is defined as the following:**

- Be knowledgeable of KC PRO-EAST rules and regulations and abide by them.
  - **You are responsible to read and understand all ISR rules and regulations each season.**
  - A racer is NOT to deliberately cut off or run into other racers during hot laps or races. This includes pushing from behind.
  - Promote good sportsmanship by all members involved and racers.
- Parents and racers must always refrain from foul language and **heated discussions. Officers shall administrate a warning for unnecessary behavior in front of a group and be asked to go somewhere private. Second warning shall be to leave immediately for the remainder of the race day. **There is zero tolerance for this behavior in front of children.****
- Parents and racers will be equally representative of good sportsmanship in winning and losing
- Parents and racers will treat all equipment (theirs and others) in the proper manner
- Parents and racers will not show or exhibit derogatory conduct toward any race official before, during or after the race.
- Parents will make sure all racers have proper safety equipment on machines and racers.
- Parents will remember to never ridicule or yell at ones racer or participant for making a mistake or not finishing where they had hoped.

I agree that if I fail to abide by this code of conduct, I will be subject to disciplinary action as follows:

1. Verbal warning by an official-to be recorded by and witnessed by KC PRO officials
2. Written warning- to be recorded by KC PRO officials dated and put on record
3. Parent/Racer Race day suspension with written documentation of incident kept on file.

Dear Local Business/Community Organization,

**RE: KC PRO-East Oval Ice Racing -2021 race season sponsorship requests**

Established in 1991, KC PRO-East Oval Ice Racing is a non-profit 501(c)(3) snowmobile racing organization open to boys and girls ages 4 to 14. The intent of this non-profit organization is to teach safe snowmobiling and good sportsmanship to our young community members. We are a family-run organization with membership extending across the Northern parts of Minnesota and Wisconsin and even Ontario Canada. We have over a dozen race classes that are open to oval ice racers from the young beginners and amateurs to the more experienced modified racers. Most importantly, we get the kids outdoors to enjoy our northern winters.

We are an International Snowmobile Racing (ISR) affiliate and, as such, we follow the ISR rules and mandates for track safety and snowmobile set-up, and all safety requirements for our young racers. We are also a member of Minnesota United Snowmobilers Association (MnUSA), the organization that works to protect, preserve and promote the sport of snowmobiling in Minnesota.

Our program depends on the kindness, support and generosity of our communities and businesses to cover the cost of insurance, safety personnel, permits, awards and other race season expenses. Being a non-profit, all money collected from membership and race fees and all fundraising and sponsorship proceeds go directly to the race program. In return for your generous contribution, we will provide a link to your business on our website and list your company name in our yearbook and the following:

Our sponsorship program includes a variety of sponsorship levels, as follows:

- Race sponsor: Platinum level -\$1,000 sponsorship
- Race sponsor: Gold level -\$500 sponsorship
- Race sponsor: Silver level -\$300 sponsorship
- Class sponsor: 1 class \$100; 2 classes \$175; 3 classes \$250.

We would like your support this season as we could not be here without your support.

On behalf of the officers, families and racers of KC PRO-East ~ THANK YOU

Adam Gruba, President, 218-349-3832
