

RE: 2023 Sponsorship Request

Dear KCPRO-East Supporter,

KC PRO-East is a non-profit 501(c)(3) youth snowmobile racing organization established in 1991. Our mission is to teach safe snowmobiling and good sportsmanship to boys and girls, ages 4 to 17. We are a family-run organization with membership extending across Northern Minnesota and Wisconsin. We have a variety of race classes open to ice racers from young beginners, to more experienced modified racers.

Additionally, we are an International Snowmobile Racing (ISR) affiliate and, as such, we follow ISR rules and mandates for track safety and snowmobile set-up, and all safety requirements for our racers. We are also a member of Minnesota United Snowmobilers Association (MnUSA), an organization that works to protect, preserve and promote the sport of snowmobiling in Minnesota.

Our organization depends on the kindness, generosity and support of our communities and businesses to help cover the cost of insurance, safety personnel, permits, awards and other race season expenses. We humbly ask for your support this race season.

In return for your generous contribution, we will provide a variety of promotions (i.e. track signage, race announcements, social media mentions, etc.) for your business as we travel across NE Minnesota and NW Wisconsin.

On behalf of our KC PRO-East officers, families and racers, we thank you for your sponsorship consideration!
