2025 CODE OF CONDUCT

The objective of this code of conduct is to ensure that KCPRO-East guardians and racers remain positive, and promote good sportsmanship at all times throughout the season. ***Racers will not be allowed to race until ALL legal guardians of each racer within KCPRO-East sign this form.***

I/we therefore agree:

Guardians are responsible for ensuring themselves, their racers, and spectators accompanying them conduct themselves in a manner that represents good sportsmanship and fair racing at all times. I/we understand it is our duty to inform those accompanying us of this expectation. Fair racing is defined as the following:

- Be knowledgeable of KCPRO-East rules and regulations and abide by them.
 - You are responsible to read and understand all KCPRO-East rules and regulations each season.
 - A racer is NOT to deliberately cut off or run into other racers during hot laps or races. This includes pushing from behind.
 - Promote good sportsmanship by all members involved and racers.
- Guardians and Racers must always refrain from foul language and heated discussions. Officers shall issue a warning for unnecessary behavior in front of a group. A second warning shall be to leave immediately for the remainder of the race day. ***There is zero tolerance for this behavior in front of children.***
- Guardians and racers will be equally representative of good sportsmanship in winning and losing
- Guardians and racers will treat all equipment (theirs and others) in the proper manner
- Guardians and racers will not exhibit derogatory conduct toward any race official before, during or after the race.
- Guardians will make sure all racers have proper safety equipment on machines and racers.
- Guardians will remember to never ridicule or yell at one's racer or participant for making a mistake or not finishing where they had hoped.

I/we agree that if I/we fail to abide by this code of conduct, I/we will be subject to disciplinary action as follows:

1. Verbal warning - by a KCPRO officer and to be recorded by and witnessed by a fellow KCPRO officer
2. Written warning - to be recorded by KCPRO officials dated and put on record with the Secretary
3. Guardian/Racer race day suspension - written documentation of incident kept on file with the Secretary
